

Forever Young

The secret of true happiness,
is remembering who you are.
Knowing you are a child of God,
and you are Forever Young.

Whenever you feel all alone,
just sing this little song.
Remember deep down in your soul,
you are Forever Young.

No matter what remember,
you are a child of God.
You know life is forever,
and you are Forever Young.

Keep remembering life's forever,
you'll feel peace and joy and Love.
You will find true happiness,
for you are Forever Young.
