

## The Living God

I open my heart to the living God,  
giver of all strength and blessings.  
He frees me from unworthy thoughts.  
He is the source of my inspiration.  
From Him comes my joy of safety  
when I depend on Him faithfully.  
He whispers words of wisdom.  
He affirms my divine heritage.  
He shelters me and guides me.  
He is the living voice of my soul.

He enhances my life according  
to the exact expression of my  
words, thoughts and actions.  
When I raise my expectations to  
the magnitude of His love for me,  
I am able to overcome what seem  
to be insurmountable obstacles.  
His power flows through me.  
I am sustained and transformed  
by His boundlessly loving grace.  
I am safe in His loving care and  
guidance to the degree I trust in  
His compassionate presence.
