

## Love is a Magnetic Force

God is Love,  
our source of Life,  
Love is a magnetic force,  
It draws us closer.  
It ultimately awakens us,  
it summons us toward  
a luminous portal,  
to the embracing Light  
of Life beyond the veil,  
the unfathomable Peace  
of individuality abiding  
in the tranquility of Love,  
in paradise,  
forever.
